IMPORTANT - PLEASE READ

Many states/provinces recognize SWANA as an approved training and continuing education provider. Attendance at SWANA national or chapter training does not guarantee credits will be accepted by your state/provincial certifying board. Your state/province may grant credits differently than the SWANA CEUs distributed for the event. ***It is important to consult your state/provincial certification board for details and any required approval prior to training. You are responsible for 30 hours of continuing education during your three-year certification.***
