

EXHIBITOR PROSPECTUS

USCC Conference & Tradeshow // January 26-27, 2021

VIRTUAL COMPOST2021 AT A GLANCE

Three Focused Tracks

20 speakers over two days.

TRACKS:

- Compost Product Quality-Use-Markets
- Organics Collection-Policy-Regulation
- Compost Operations

Virtual Exhibit Hall

Meet our exhibitors as you would at our in-person conference—but using technology to see their products and ask questions about their use. We'll be using one on one video, and text, as well as a range of multimedia.

Easy to Use Online Platform

Community Brands has perfected the online virtual conference experience. With seamless transitions from speakers to exhibit halls VIRTUAL COMPOST2021 will be easier than ever to attend.

TRACK TOPICS INCLUDE:

- Facility Efficiency Analysis
- Climate Implications
- Growing Your Market
- Safe Operations
- CCREF Research Session
- Food Safety and Compost (FSMA)
- Understanding Aeration
- Infrastructure Development
- Persistent Herbicide and PFAS
- Contamination Removal
- Community Supported Composting
- Rangeland Applications

2021 SPONSORS

(as of October 30, 2020)

COMPOSTCONFERENCE.COM

BOOTH PRICING

(Early bird rates available through December 1, 2020)

VIRTUAL COMPOST2021 WILL OFFER A ROBUST AND ENGAGING TRADESHOW FOR ALL EXHIBITORS.

Each 3D exhibitor booth will be customizable from a series of templates and will have multiple areas to showcase company videos, documents, links to external websites, and other branded material. Attendees will be able to interact with your company organically through one on one video chat, text windows, and scheduled appointments. VIRTUAL COMPOST2021 will have designated times for networking each day, both in the Exhibit Halls and topic focused and sponsored networking lounges.

This unique platform will also allow VIRTUAL COMPOST2021 to have multiple exhibit halls. This will give attendees the opportunity to move seamlessly between industry focused areas and your company's booth and booth staff.
