

SPONSORSHIP OPPORTUNITIES

CAPTURING CARBON... RENEWING SOIL

JANUARY 24-27, 2023 | ONTARIO, CALIFORNIA

YOUR BRAND WILL BE FRONT AND CENTER IN OUR COMPOST 2023 MARKETING CAMPAIGN.

Our attendees and members spend millions of dollars on the equipment, products and services that you provide. They are pleased to meet companies like yours that are committed to composting and compost use as the path to regenerative practices, climate change mitigation, water quality and conservation and soil health.
